The Crazy-Cool Dance
Fitness Workout For Kids!

Zumbatomic is for **boys** and **girls**. We take the energy, fun and happiness of music and dance and incorporate it into fitness. Zumbatomic is not a mini adult class. Emphasis will be on **kid-friendly songs** and moves; basic steps and choreography, dance backgrounds, games and healthy choices. While having **fun**, kids will be developing **confidence**, **respect**, **teamwork** and **responsibility**.

Zumbatomic is a **non-stop party** featuring the **hottest rhythms** and dance moves. Salsa, merengue, hip-hop, calypso and samba steps are fused into a **high energy workout**! Zumbatomic is fun and easy to do - no prior dance or fitness experience is needed!

Classes are led by Certified ZUMBATOMIC Instructors.

Session 1 ~ May 31st - June 29th
